

All Insight Lighting Digital LED Products

Warranty & Obligations

Insight Lighting warrants that products sold will, upon shipment, be free of defects in workmanship and materials under normal use and service, provided the products are kept in proper condition and installed per manufacturer's recommendations. **Insight Lighting Digital products are shipped in a sealed condition to protect the internal electronic parts of the product. Sealing is accomplished through the use of door frame assemblies, lensing or other protective devices. Any tampering with these sealed fixtures will void all warranties. The use of non Insight Lighting provided power supplies will void all warranties.** Insight Lighting's obligation under this warranty shall be limited to the repair or exchange of any part or parts which prove to be defective under normal use and service within two (2) years from the date of invoice, and which our examination shall disclose to our satisfaction to be thus defective. Should any product fail to conform to this warranty Insight Lighting's obligation, upon prompt written notification from the Purchaser, is limited to repair or replacement, at its option, without charge. Corrections in the manner provided above shall constitute a fulfillment of all liabilities of Insight Lighting with respect to the quality of the products. Insight Lighting must approve any labor incurred as a result of the above prior to action. This warranty does not apply to products that have been altered, repaired or installed contrary to Insight Lighting recommended installation procedures. Insight Lighting's liability under this guarantee shall be limited to repair or replacement and the purchaser agrees that no other remedy (including but not limited to, incidental or consequential damages for lost profits, liquidated damages, lost sales, injury to person or property, or any other loss) shall be available to Purchaser.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
